# **Book-Promo POWER Sites**

**Important:** Hire a Fiverr to do all the submitting for you. You can simply give him this list, and all your information. Also, make sure you give him a 3-day date range for promoting your book. This will concentrate your promotions over a relatively short period of time, thus increasing your rank, visibility, sales, page reads, etc.

**When your Fiverr worker creates accounts on these sites for you, ask him for the password so that you can pay for the promotions.**

Make sure you tell him about all the Facebook promotion groups at the bottom of this list. Tell him to promote your book in those Facebook groups during the 3-day date range. This will give your book a solid, extra boost.

Also tell him to submit your book to the list of free sites in this guide. There are 10 free sites listed here, and they are worth submitting to. Every little bit counts!

You can always request a Custom Order from your Fiverr worker to add any of these promotion sites and Facebook groups to his promotional package. These people want to work with you, and don't mind custom orders. A custom order will make your promotion much

more powerful, and you will do much less work for it.

When you hire a Fiverr worker to do all the submitting work for you, suddenly these promotions become very easy. And you will want to do more of them. I highly recommend you don't do the submitting work yourself. You need to write the next book in your series!

**Good luck on your promotion and let me know how it goes!**

## **Get Someone to Submit Your Book for You**

**Very important:** Make sure you hire a Fiverr to do the submitting for you. It is cheap, and you won't burn your time up. Doing all this submitting will make you shy away from actually launching a promotion. Do yourself a favor and hire someone to take the pressure off you. *That will motivate you to launch more promotions for your books.*
